Subject: Resource Consent hearing schedule 28-29 sept PPlease Table this email to the commissioners

Good afternoon, Sonia

Please forward this Email to the commissioners this afternoon as it points out gaps in the GDC process of getting all information out for a fair hearing.

thank you for your email at 11:58 this morning, Its Greate to now have a name of someone who is likely to respond to correspondence from GDC for making sure my information gets properly distributed to the independent commissioners, from my original submission through to my most resent document hearing statement, all of which I attach FYI .

1. Virtual and council chambers, can you provide a run down on how to access the virtual which I assume will be a live stream u tube or something like please? Will the whole hearing be on Tube file for ever going forward?
2. I see Willie Te Aho is scheduled to speak before myself on Day 2 9-15 to 11am can you tell me or give documentation on what this might be about as I haven't seen his submission published on the GDC web site and my wife asked Karen Beckham for it and never received, what can you supply?
3. Just so I know 3 pm day 2 conditions workshop -planning experts and commissioner panel what is this? I requested something similar for the purposes of informal mediation in my, (Attached) in Hearing Statement: Waipaoa River SB page 2 point 3 sent in to sent in 23/9/2026 14:46 to notified resource consents (GDC) for the commissioner panel to read prior to the hearing

A **conditions workshop** is an informal meeting held during a resource planning hearing where the applicant, council experts, and sometimes submitters sit down together to review, debate, and refine the drafted resource consent conditions

I under stand commissioners usually withdraw form workshops Why is it different in this case where submitters/speakers are not mentioned? see the link below for where I get my information

4. Will I as a submitters and speakers be invited to the Conditions workshop? (attached) noting my submitted conditions unlisted in the <https://protect.checkpoint.com/v2/r04/> https://www.gdc.govt.nz/_data/assets/pdf_file/0018/104166/S42a-Appendix-1-LR-2026-113441-00-Proposed-Consent-Conditions-S42A.pdf-Planning_.Y3A0YTpnZGNjb3JlOmM6bzpjZWZlY2QzMdDc2NTY1NzJjZWJjYzNkZTZkNTVkyzo3OjVlNTA6ZjczNjgwYjExNDc1YTY0ZjQ3MGY1MWZkNDc0NjE2MmEzMjE0YjMzYTnkMTk2Y2VhMWQ4ZDY2ZWMyNjE4OTJhODp0OjQ6Rg experts and Commissioner panel

please see my proposed conditions which I would like heard and discussed in this resource consent hearing?

5 . As Resource Management Systems Advisor will you be responsible for distributing the Commissioners decision and the names and email addresses of the submitters required to be notified if and when an Environmental court appeal is filed?

Someone mucked up and left them on the submission summary as attached, but I would like the commissioner to give the relevant submitters details with their decision any way Thankyou

6 . Missing from my original submission (as attached) in the summary of submission report summary apendix -3-LR 2026-1134441-00-s42 (attached)

Is the point at the top of page 3 " I request perseuant to 100a -----" just to establish another point regards Josh Wharehinga conflict of interest with his mother how come my submission was ignored and a past deputy mayor (Josh)is appointed by GDC and is not totally independent of the Gisborne region?

this point of independent commissioners seems to be left right of the "Relief sort " in the submission report summary, that I guess the commissioners only read how could this happen? why was my comment ignored?

thanks, in anticipation Daniel Moran 021 1877080
